

JOB OPPORTUNITY

Pak Libya Holding Company is looking to hire a **Research Analyst** in its Private Equity & Strategic Initiatives Department based in Karachi- Head Office. The ideal candidate must meet the following criteria:

Qualification & Experience

- Minimum Bachelor's degree in Economics/Finance/ Accounting from a HEC recognized University/ institute. Candidates having MBA/ Masters in banking / finance/economics or ACCA/CFA will be preferred.
- Fresh graduates can apply.

Required Skills

- Strong analytical and financial modeling skills.
- Knowledge of corporate finance and valuation methodologies.
- Excellent communication and presentation skills.
- Strong written and verbal communication skills.
- Proficient in Microsoft Office (MS Office)

Key Responsibilities

- Assist in financial modeling and valuation analyses, including discounted cash flow (DCF), comparable company, and precedent transaction methods.
- Support due diligence processes, including analyzing financial statements, market data, and operational metrics of target companies.
- Assist in preparing investment memos and presentations for internal discussions and approvals, and liaise with internal departments for smooth execution of transactions.
- Assist in obtaining necessary approvals from government and regulatory bodies.
- Conduct in-depth industry and market research to identify trends, risks, and opportunities.
- Monitor and analyze competitive landscapes for potential investment opportunities.
- Collect, organize, and maintain financial and operational data on target companies and portfolio investments.
- Track industry developments and news to support informed investment decision-making.
- Monitor the performance of portfolio companies, including financial and operational metrics.
- Support the preparation of periodic portfolio reports for senior management.
- Work closely with senior team members on various aspects of investment processes.
- Coordinate with external advisors, including legal, tax, and financial consultants, as needed.
- Assist in trading and monitoring of stock portfolio and MTS activities.
- Assist in the preparation and updating of policies, manuals, profiles, and renewal of required licenses and approvals.
- Support senior team members in execution of strategic initiatives and monitor the progress of each initiative or task.

This is an on-site role (not hybrid/remote). Candidates with relevant/demonstrable experience should apply.

Attractive and market based remuneration package with fringe benefits will be offered commensurate with qualification, skills and experience.
